Team Travel Policy

Carolina Defenders recognizes that team travel is an integral component of the training and technical curriculum of competitive basketball.

Team travel offers players supervised opportunities to learn and practice independence.

Travel opportunities may include but are not limited to: national, out of state or in state events, training camps and club sponsored recreational activities. Carolina Defenders have developed this policy to guide the planning and execution of team travel.

- 1. The Carolina Defenders Team Travel Policy, including liability release/medical consent form and team travel code of conduct, must be signed and agreed to by all players, coaches and chaperones traveling with the club.
- 2. Coaches and chaperones must be members of AAU and have successfully passed an AAU-administered criminal background check. Carolina Defenders coaches may be designated to assume chaperone duties, with advanced notice to parents and/or legal guardians.
- 3. Both male and females chaperones will be required for team overnight travel.
- 4. Regardless of gender, a coach or chaperone shall not share a hotel room with an athlete (unless the coach or chaperone is the parent, guardian, sibling, or spouse of that particular athlete). In dorm-like settings, open and observable environments should be maintained.
- 5. When only one athlete and one coach travel to a competition, the athlete must have his/her parents' or legal guardian's written permission in advance to travel alone with the coach.
- 6. During team travel, when doing room checks, attending team meetings and/or other activities, two-deep leadership and open and observable environments should be maintained.
- 7. Players should not ride in a coach's vehicle without another adult present who is the same gender as the athlete, unless prior parental permission is obtained.
- 8. During overnight team travel, if players are paired with other players they shall be of the same gender and should be a similar age. Where players are age 13 & over, chaperones and/or team managers would ideally stay in nearby rooms. When Players are age 12 & under, chaperones and/or team managers may stay with players. Where chaperones/team managers are staying in a room with players, they should be the same gender as the athlete and written consent should be given by player's parents (or legal guardian).
- 9. To ensure the propriety of the players and to protect the staff, there will be no male players in female player's rooms and no female players in male player's rooms (unless the other athlete is a sibling or spouse of that particular athlete).
- 10. The directions & decisions of coaches/chaperones are final.
- 11. Players are expected to remain with the team at all times during the trip. Players are not to leave the competition venue, the hotel, a restaurant, or any other place at which the team has gathered without the permission/knowledge of the coach or chaperone.
- 12. If a parent or guardian is taking the player away from a travel event, he or she must provide the coach with a written note informing him/her of the change.
- 13. Players and chaperones traveling with the team will attend all team functions including meetings, practices, meals, meet sessions, etc. unless otherwise excused or instructed by the head coach or his/her designee.
- 14. When visiting public places such as shopping malls, movie theatres, etc., players will stay in groups of no less than three persons. 12 & under players will be accompanied by a chaperone.
- 15. The Head Coach or his/her designee shall make a written report of travel policy or code of conduct violations to the appropriate club or Defenders leadership and the parent or legal guardian of any affected minor athlete.
- 16. Chaperones are to adhere to elements of the Travel Team Code of Conduct. The use of alcohol or drugs in combination with transporting or chaperoning Players is prohibited.
- 17. The Head Coach is to provide a specific itinerary to each chaperone detailing their responsibilities during the travel function, and check insurance and driver's licenses as needed.
- 18. Chaperones are to notify the Head coach immediately if they are unable to be available to their designated players for any reason while chaperoning.

- 19. Chaperones will carry out their responsibilities from the immediate time of departure until the return time as communicated to the players' parents.
- 20. If a private owned, leased or rented vehicle is used to transport players to a travel event or activity, the responsibility for liability lies with the owner, lessee, or renter of the vehicle.
